Welcome

Hi there. My name is Ruby and I'm going to be your OT. An OT, or **O**ccupational **T**herapist, is someone who helps you to learn and do new things or helps you with things you find tricky – and we always try to have fun! I can't wait to meet you and find out what you love and think is fun so we can do it together!

About Me

I love doing craft, Harry Potter, playing games and watching TV! I have 3 brothers and 1 sister, and I have a little girl who is nearly 2. I love learning new things from the kids that I work with - like you!

Where do OTs work?

OTs work in lots of different places, either indoors or outdoors! For example, you may find me in our rooms in Diamond Creek, doing visits to homes, schools and kinders, or on telehealth.

My Favourite

Food is chocolate..yum!

Colour is pink

Animal is a dolphin

Sport is netball

My favourite thing about being an OT is I get to play lots of really fun games with really fun kids! :)

When we meet

You might like to bring your favourite toy or game from home when you meet me, or you might like to send me a message with an idea of something fun we could do together.

I look forward to seeing you soon!
