

MEET YOUR OT!

Hannah

Welcome

Hi there. My name is Hannah and I'm going to be your OT. An OT, or Occupational Therapist, is someone who helps you to learn new things or things you find tricky. We always try to have fun! I can't wait to meet you and find out what you like so we can have fun together.

Where do OTs work?

OTs work in lots of different places, either indoors or outdoors! For example, you may find me in our rooms in Diamond Creek, doing visits to homes, schools and kinders, or on telehealth.

When we meet

You might like to bring your favourite toy or game from home when you meet me, or you might like to send me a message with an idea of something fun we could do together.

About Me

I like watching Bluey with my two children.

I enjoy playing games.

I love to draw and do crafty activities.

I am always happy to go for a walk outside, especially along the beach!

My Favourites

Food: Mango

Colour: Blue

Animal: Turtle

Sport: Tennis

My favourite thing about being an OT is sharing in each family's joy when a child learns a new skill or achieves a goal!

I look forward to seeing you soon!
