

## Our clinic location

With 18 acres to explore, we affectionately refer to our home as 'Forest Clinic'.

Our address is:

**Unit 4,  
329-347 Diamond Creek Road,  
Diamond Creek, 3089**

(corner of Diamond Creek  
Road and Yan Yean Road)

### Directions

There are two entry/exit points as indicated by the orange and purple arrows above.

### Important note:

If you are heading from the direction of the **Civic Drive Roundabout** along **Diamond Creek Road**, or from **Aqueduct Road**, follow the **purple arrows** (we recommend not using the entry point indicated by the orange arrows as you will need to travel further north on Yan Yean Road and do a U-turn). Following your appointment, you can turn left on to Yan Yean Road to exit.

If you are heading to the clinic **south on Yan Yean Road** (e.g. from Yarrambat or Doreen), please follow the **orange arrows**.

### Parking

There is plenty of parking available on the grassy area opposite the front of the clinic.

### Entering the clinic

Please enter the clinic via the back door not via the front steps.
