

# MEET YOUR OT!

## Cameron

### Welcome

Hi there. My name is Cameron and I'm going to be your OT. An OT, or **Occupational Therapist**, is someone who helps you to learn and do new things or helps you with things you find tricky – and we always try to have fun! I can't wait to meet you and find out what you love, and think is fun so we can do it together!

### About Me

I have completed a Bachelor of Arts (Sociology) and a Master of Occupational Therapy Practice.

Outside of work, I enjoy playing guitar, running, being outside, and being with my family.

### Where do OTs work?

OTs work in lots of different places, either indoors or outdoors! For example, you may find me in our rooms in Diamond Creek, doing visits to homes, schools and kinders, or on telehealth.

### My Favourites

**Food:** Donuts

**Colour:** Green

**Animal:** Giraffes!

**Sport:** AFL football, cricket, tennis, and distance running

**My favourite thing about being an OT is** celebrating each milestone, big or small!

### When we meet

You might like to bring your favourite toy or game from home when you meet me, or you might like to send me a message with an idea of something fun we could do together.

I look forward to seeing you soon!
